Mayor's Youth Council to Dedicate Community Art

LAFAYETTE, INDIANA – June 5, 2019 – The Mayor's Youth Council will be presenting and dedicating their latest community beautification project on **Friday, June 7, 2019 at 10:15 a.m.** The MYC has been working with local artist Angela Taylor to install new art panels on the **North 18th Street underpass on Ferry Street.**

The Mayor's Youth Council provides Lafayette high school students with opportunities to advise the Mayor on youth-related issues, learn about city government, volunteer with community organizations and participate in special events and projects. This latest effort was made possible by a donation from the Olson family fund, administered by the Community Foundation of Greater Lafayette.

We appreciate your coverage of this event and look forward to seeing you at this official unveiling.
