POLICE MERIT SYSTEMS IN SECOND-CLASS CITIES
(As adopted by Ordinance No. 82-18, pursuant to IC 36-8-3.5-1(b))

Sec. 1. The purpose of this chapter is to provide for a city merit plan for police in cities of the second class located in counties having a population of not less than one hundred nine-thousand (109,000) inhabitants nor more than one hundred twelve thousand (112,000) inhabitants according to the last preceding United States census and to thereby improve the training and career opportunities for members of the police department, to remove the harmful effect of appointments and promotions made to the police department without regard to training, ability and experience and to stimulate greater public interest and respect for law and order.

After the effective date of this chapter, a common council may enact an enabling ordinance creating a civil service merit system as part of its governmental organization and shall in such ordinance repeal prior ordinances in conflict therewith, and the new ordinance shall further provide for competitive examinations to be conducted at the discretion of the commission hereunder.

Sec. 2. Within thirty (30) days after the adoption of an appropriate ordinance, a civil service commission for the police department shall be appointed as hereinafter provided. The civil service commission of the police department, hereafter referred to as the commission, shall consist of five (5) members, none of whom shall be a member of the police department or retired member thereof. The members of the commission shall have been legal residents of the city for at least three (3) years and shall be persons of good moral character. The members of the commission shall be appointed as follows: The police department shall make the first two (2) appointments to the said commission; the common council of the said city shall make the next two (2) appointments to the commission, and the mayor of said city shall make the final appointment to the commission. These appointments shall be filled in this order and in no other order.

In the first instance of the two (2) members to be elected and appointed by the majority of the active membership of the police department, one (1) shall serve for a term of three (3) years and one (1) shall serve for a term of four (4) years; of the two (2) members appointed by the common council, one (1) shall service for a term of two (2) years and one (1) shall serve for a term of (4) years; the member to be appointed by the mayor shall serve for a period of one (1) year. Thereafter the terms of the commission shall be for a term of four (4) years. The appointments by the active membership of the police department shall be made at a meeting specifically called for such purpose by the board of public works and/or safety hereinafter referred to as the "Board." The board shall have at least one week's notice of said meeting to all active members of the police department by posting a copy of the notice of the meeting in at least three (3) prominent places in the central police station. The notice shall designate the time, place and purpose of the meeting. No one shall be entitled to be present at the meeting and exercise the right to vote unless he or she is an active member of the police department. Active members of the police department who are unable to attend such a meeting may vote by written proxy: Provided, That no active member present shall be

entitled to hold and vote the proxy of more than one (1) absent member. An active member of the police department shall be elected to act as chairman of the meeting and the chairman shall have charge of the conduct of the election. Voting shall be by secret ballot, and the persons receiving the greatest number of votes, including all votes by proxy, shall be named as members of the commission representing the active members of the police department. The results of the election shall be tabulated and filed with the clerk of the city. A person shall be ineligible to serve as a member of the board of commissioners if he holds any other salaried appointive or elective office for the cities to which this chapter applies. In making the appointment of the members of the board of commissioners, not more than three (3) members shall be affiliated with the same political party. Every member appointed on such commission shall take and subscribe to an oath that he will conscientiously and faithfully discharge the duties of his office which oath shall be filed with the board. The commission shall select from its membership a president, a vice-president and a secretary for a term of one (1) year. The secretary of the commission shall make and keep a permanent record of its proceedings.

The compensation of each member shall not exceed five hundred dollars (\$500) per year and shall be fixed by the common council. Vacancies, which may occur in the membership of such commission for any cause and expired terms, shall be filled by appointment in the same manner as the appointment of the members of the commission whose place is vacated or whose term has expired. The board may remove any member of the commission at any time for malfeasance, nonfeasance, removal from the city or inability to serve, which removal shall be in the same manner and under the same rules of procedure as members of the police department of such cities are now or hereafter may be removed. Three (3) members of the commission shall constitute a quorum for the transaction of official business. The commission shall meet at regular intervals, not less than once each calendar month.

Sec. 3. The commission shall be authorized and directed to prepare, adopt, promulgate, supervise and enforce rules and regulations as follows: (1) to govern the selection, appointment, resignation, transfer, reappointment and reinstatement of persons to be employed as members of the police department; (2) to govern promotions and demotions of the members of the police department; (3) to govern disciplinary action and/or dismissal of members of the police department, as prescribed by applicable law. Before any rules and regulations as provided in this section shall be adopted by the commission, the commission shall provide for a public hearing to consider the adoption of the proposed rules and regulations. The commission, at least ten (10) days prior to the date fixed for such public hearing, shall cause a notice of the hearing to be published in accordance with IC 1971, 5-3-1. The notice shall contain an announcement of the time and place of the hearing and a brief recital of the subject matter of the proposed rules and regulations. At least ten (10) days prior to any hearing, one (1) copy of the proposed rules and regulations shall be placed on file in the office of the city clerk and shall be open to inspection to any citizen or taxpayer of such city and three (3) copies of the proposed rules and regulations shall be forwarded to the chief of police of the department and retained on file in the office of the chief and shall be open to inspection at all times by any member of the police department. At the

hearing any legally registered voter or taxpayer of such city, including any member of the police department, shall be afforded an opportunity to be heard on any matter relative and germane to the adoption of the proposed rules and regulations, and shall be allowed to present either oral or written evidence. Any evidence so presented shall be given due consideration by the commission in making its final decision concerning the adoption of the proposed rules and regulations.

Sec. 4. Such rules and regulations shall prescribe that the following four (4) factors shall be the basic considerations in rating a member of the police department for the purpose of promotion: (1) the grade received by the member on a written competitive examination, pertaining to police work in his own city or town. Said examination paper shall be retained in the office of the chief of police, and such individual shall have access to examine the same, any time in the presence of the chief of police; (2) the past performance record of a member of the police department; (3) the seniority rights of a member of the police department determined by the number of years of service as a member of the police department; (4) a personal interview by the commission: Provided, That the grade received on a written competitive examination shall be considered as fifty percent (50%) of the rating. The past performance shall be considered as twenty percent (20%) of the rating. All members of the police department shall be given the full twenty percent (20%) at the inception of this chapter; the seniority rights of a member based on the number of years of service as a member of the police department at the rate of three-fourths of one percent (3/4%) for each year of service up to and including twenty (20) years shall be considered as fifteen percent (15%) of the rating. A personal interview by the board of commissions shall be considered as ten percent (10%) of the rating; five percent (5%) of the rating shall be left to the discretion of the commissioners.

The rules and regulations shall contain a provision requiring that performance ratings shall be made every six (6) months for each member of the police department, not including the chief or superintendent of the police department, by the immediate superior officer of the member, and reviewed by said superior officer with said member. Such ratings shall be submitted to the chief or superintendent of the police department and kept on file permanently in his office: Provided, That such rules and regulations shall provide that the chief or superintendent of the police department shall give each member written notification of the rating which such member receives and if any member is aggrieved with the performance rating he or she shall have received such member shall have the right to appeal to the commission for a review of the rating within ten (10) days after the notice of the rating has been received. The commission, after reviewing the rating, shall have the authority to affirm or change the rating. The commission shall not have the power and authority to appoint or remove any member of the police department as the chief of said department, but the mayor of such city shall have the sole power of appointing and removing any member of the police department as chief of the department: Provided, That such appointment of the chief shall be made from the personnel of the department who have at least five (5) years service in the police department immediately prior to the appointment, and the removal of any member of the police department as chief of said department shall be deemed as removal from rank only, and not from the department: Provided further, That the chief of

the police department and the superintendent of the police department shall be considered one (1) and the same office.

Sec. 5. All persons who are members of any police department of any city at the time of the effective date of the enabling ordinance shall hold their respective ranks temporarily. The commission members shall, within one hundred and eighty (180) days after their appointment, hold open competitive examinations for all members of the police department for the purpose of determining who shall hold specific rank in the police department. Any promotions in rank shall become effective within this one hundred and eight (180) day period; Provided, That any person who holds the rank of chief or superintendent of police shall continue to hold his office and his qualifications shall not be subject to examination and review by the commission. Upon expiration of the term of the chief of the police department in any city, such person shall be appointed by the commission to the rank on the police department which he held at the time of his appointment as chief of the department: Provided, That in the event of the Chief of the department, during his tenure of office as chief of police department qualified in accordance with the promotional procedure as prescribed by the commission in its rules and regulations for any rank in the police department which is higher than the rank which he held at the time of his appointment as chief of the department, he shall, upon expiration of his term as chief, be appointed by the commission to the rank for which he has qualified under the promotion procedure. Promotions in the police department of any such city shall be approved and made by the board of commissioners from the active personnel of such department: Provided, That any member, in order to be eligible for such appointment as chief of the department shall be required to have served as an active member of said department for at least five (5) years immediately preceding his appointment as chief. The mayor of said city shall have the prerogative of appointing the chief of police under the above-specified conditions.

Sec. 6. All appointments, promotions and demotions made by the commission shall be subject to the promotion, demotion and removal provisions as prescribed by the commission in its rules and regulations, subject to the laws of the State of Indiana.
