FOR IMMEDIATE RELEASE
July 1, 2021

City's Engineering and Public Works Office Offering Online Services Services include permits, inspections, licenses and general billing.

LAFAYETTE, INDIANA – July 1, 2021 – To streamline your need for services in the Engineering and Public Works office, you can apply for permits, schedule inspections, and pay for all services from the comfort of your home or office by using your smartphone, tablet or PC. Additional payment options are now available by using Visa, MasterCard, Discover, PayPal, E-check and Venmo programs as well. You can also receive real-time updates on your application and plan reviews, see inspection results online, and schedule next day inspections all online.

“The City’s Engineering and Public Works Office is excited to streamline these services for our customers,” states City Engineer Jeromy Grenard. “During our June testing period, fifty-percent of payments were made online. Our goal is to provide user-friendly, paperless services without the need to visit City Hall and stand in line.”

To take advantage of these online services, visit <https://selfservice.lafayette.in.gov/MSS/>
